- ▶ Spring Street Project (play ground equipment) remains on our radar....many thanks to President Helen Ball for spearheading heading the construction. Go to our website for more information.
- ▶ Meet a Rotarian: At each club meeting our President will call on one of our members to let us know more about each other. Come to the meeting prepared to tell something about Your Past, Your Present, Your Future and Finally: What is the one thing that you have done that your fellow Rotarians would be surprised to know.
- ▶ Membership is everybody's business so invite someone to our next club meeting.
